RESPONSE TO OFFICE ACTION

Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Dear Sir:

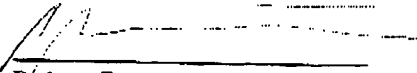

This is further to the Office Action dated February 20<sup>th</sup>, 2003.

ELECTION

Applicant hereby elects, without prejudice and without traverse, Invention I (Crane), species 1 (air pressure displacement means) provided no generic claim is found to be allowable. However, applicant retains the right to subsequently file a divisional application with respect to the other Inventions and species. Applicant believes that claims 9-12 and 34-36 are generic to all three species of Invention 1 while claims 13-19 relate more specifically to species 1.

The examiner is invited to telephone the undersigned, applicants attorney of record, to facilitate advancement of the present application.

Respectfully submitted,

Robert Brouillette
